PROFILE

I am a dedicated and self-driven high school student currently in my second year of a technical program in System Development. I have a strong foundation in programming, software logic, and database management, and I'm constantly learning and building to improve my skills. Passionate about technology and problem-solving, I thrive in environments that challenge me to think critically and create efficient digital solutions.

EDUCATION

Colégio técnico da Universidade Federal de Minas Gerais
Technician in System Development

2024 - PRESENT
Belo Horizonte
